

DOG STATUE

POP OF COLOUR

Add style to your home décor with a coat of Rust-Oleum® Painter's Touch+ Chile Red spray paint, and have fun transforming your dog statue from boring to wow!

Items

- Rust-Oleum Painter's Touch+ Chile Red spray paint
- Dog statue
- Drop cloth
- Lint-free cloth

STEPS

- 1. PREPARE:** Always work in a well-ventilated area. Cover the ground and any nearby items with a drop cloth to protect from spray mist. Wipe clean with a lint-free cloth, removing all dust.
- 2. PAINT:** Shake can for 1 minute after the mixing ball begins to rattle. Hold the can 25-40cm from the surface and spray in a steady back and forth motion, slightly overlapping with each stroke. For best results, while spraying, keep the can the same distance from the surface and keep the can in motion. Apply several light coats a few minutes apart.
- 3. FINISH:** Allow the dog statue to fully dry for 24 hours before handling.
