

WELCOMING WREATH

CREATE A CHIC AND MODERN WREATH

Use Rust-Oleum® Painter's Touch+ Island Blue spray paint to transform a plain wreath into a beautiful piece, that will wow your guests!

Items

- Rust-Oleum Painter's Touch+ Island Blue spray paint
- Wreath
- Drop cloth

STEPS

- 1. PREPARE:** Always work in a well-ventilated area. Cover nearby items with a drop cloth to protect from spray mist.
- 2. PAINT:** Shake can for 1 minute after the mixing ball begins to rattle. Hold the can 25-40cm from the surface and spray in a steady back and forth motion, slightly overlapping with each stroke. For best results, while spraying, keep the can the same distance from the surface and keep the can in motion. Apply several light coats a few minutes apart. Make sure to spray in between the layers of the wreath.
- 3. FINISH:** Allow to dry for 24 hours before handling. Once it's completely dry, hang your wreath on your front door and admire!
