

AMAZING ADIRONDACKS

TRANSFORM YOUR FADED ADIRONDACK CHAIRS INTO BACKYARD MASTERPIECES!

All you need is a little spray paint to breathe life back into your outdated lawn chairs. Choose from Rust-Oleum® Painter's Touch+ White for a classic look, or go for a pop of colour like Canary Yellow or Chile Red to brighten up any summer day.

Items

- Rust-Oleum Painter's Touch+ Gloss White spray paint
- Adirondack chairs
- Drop cloth
- Sandpaper or brush

STEPS

- 1. PREPARE:** Always work in a well-ventilated area. Cover nearby items with a drop cloth to protect from spray mist. Remove any loose paint and rust from the surface with a brush or sandpaper. Lightly sand glossy surfaces. Clean with soap and water, rinse and let dry.
- 2. PAINT:** Shake can for 1 minute after the mixing ball begins to rattle. Hold the can 25-40cm from the surface and spray in a steady back and forth motion, slightly overlapping with each stroke. For best results, while spraying, keep the can the same distance from the surface and keep the can in motion. Apply several light coats a few minutes apart.
- 3. FINISH:** Allow to dry for 24 hours before handling. Place your revived Adirondack chairs around the yard for a summer you'll never forget.
