

HEARTFELT FRAME

HEARTFELT PICTURE FRAME FOR THAT SPECIAL SOMEONE

Give something special this Valentine's Day with a custom painted picture frame. With a few coats of Rust-Oleum® Painter's Touch+ Crimson spray paint, transform an ordinary, dull frame into a heartfelt picture frame to display your favourite memories all year long!

Items

- Rust-Oleum Painter's Touch+ Crimson spray paint
- Drop cloth
- Picture frame
- Lint-free cloth

STEPS

- 1. PREPARE:** Always work in a well-ventilated area. Cover the ground and any nearby items with a drop cloth to protect from spray mist. Wipe clean with a lint-free cloth, removing all dust.
- 2. PAINT:** Shake can for 1 minute after the mixing ball begins to rattle. Hold the can 25-40cm from the surface and spray in a steady back and forth motion, slightly overlapping with each stroke. For best results, while spraying, keep the can the same distance from the surface and keep the can in motion. Apply several light coats a few minutes apart.
- 3. FINISH:** Allow the frame to fully dry for 24 hours before handling.
